# Quarter Auction - Friday, 2/5/10 - Doors open at 6pm

## What is a Quarter Auction?

Auction Items are donated by business professionals representing 31 Gifts, Celebrating Home, Dove Chocolate, Lia Sophia, Longaberger, Mary Kay, Mia Bella, Pampered Chef, Stampin' Up, Tastefully Simple, Wildtree, and others.

**Bidders purchase advanced tickets for \$15.00 and receive a numbered paddle and \$10.00 in quarters upon arrival at the auction.** Participants

have time to preview the auction items, enjoy refreshments, and shop with the consultants before the auction begins. At auction time, the auctioneer presents the first item for bid and announces the

bid amount; 1, 2, 3 or 4 quarters. Interested parties place the bid amount in the basket provided and hold their paddle in the air. The auctioneer picks a numbered ball and calls the number. The bidder with that number wins the bid item; if the individual with that number did not bid on the item; additional numbers are called until the item is won. This process continues for each auction item.

## Kay's Kamp Quarter Auction

Held at the Hartly Volunteer Fire Company on Friday February 5<sup>th</sup>. *Doors open at 6pm for a light meal, a preview of auction items, and shopping with the consultants. Bidding starts promptly at 7:00pm.*

**A portion of the Ticket Sales, all of the proceeds from Kay's Kamp Auction Items, and all of the proceeds from Food Sales will be given to Kay's Kamp to support Kay's Kamp 2010.**

## ~ From the Director ~ Lisa Schmalbach

[lisa@kayskamp.org](mailto:lisa@kayskamp.org)

Happy 2010!!! In the spirit of the holidays that just passed and the upcoming "Kay's Kamp goes to the Movies" theme, I would like to share my all-time favorite quote from a movie. . . . "She thinks I'm cute, she thinks I'm cute!!" Of course; from the ever famous *Rudolph the Red Nosed Reindeer*. Now I know that was a little off the wall, but I wouldn't be a great Kamp Director if I wasn't just a little odd! ☺ I hope everyone had a wonderful holiday season and I know that 2010 will be a great for everyone.

Let me catch you up on what has been happening in Kamp

World. . . In October, Kay's Kamp was honored by the Wilmington University Volleyball team at their game versus Goldey Beacom. Two of our kampers were named honorary captains and raised over \$1,000.00 for Kamp. In November, Mary Ellen and I had the opportunity to attend the Children's Oncology Camping Association-International (COCA) annual conference in Mobile. We were able to visit a gorgeous campsite called Camp Grace that Camp Rap-A-Hope uses for their camping session. We came home with many ideas for our own campsite and some incredible

knowledge to continue to make Kay's Kamp bigger and better. There were over 130 oncology camps represented at the convention and many asked about our first Kay's Kamp. The Advisory Board has been working hard on developing plans for 2010. In case you haven't heard, we are going to the movies!!! I have a feeling our kampers are going to feel like celebrities on the red carpet all week! We are also excited to announce the development of a new program for Kay's Kamp, the Leader-in-Training (LIT) program. This program will allow survivors ages 18-

20 to participate in Kamp while gaining the knowledge and skills to be our leaders for tomorrow. I will leave you with one last quote from another one of my favorite movies *Cool Runnings* as we get ready for the Winter Olympics to knock on our doors. . . "I am feeling very Olympic today!" Go USA and of course as always

**GO KAMP!!!**

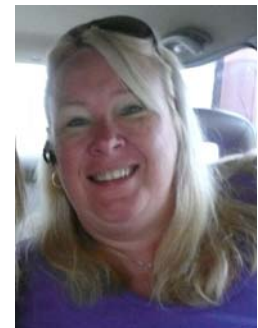

## Medical Coordinator

**Mary Ellen McKnight, RN, BSN, CLNC, CHPN**

On Nov. 12, 2009 as tropical storm, Ida, arrived in Delaware, Lisa and I headed to Mobile, AL for the annual COCA conference. We landed at 2pm to sunny skies, 70 degrees and quickly had a need for sun glasses! But, by 4:00 we were in the first session learning all about hundreds of other oncology camps across

the United States and Canada, where we had the opportunity to share about the inaugural Kay's Kamp! Lisa then went to learn about whatever directors learn and I headed for medical. I was able to speak with nurses from across the country and learn how their "ZOO's" operate and ways to improve our "ZOO" at Kay's Kamps. I also

spoke with a physician who is the director of an oncology camp on the west coast. His spirit and passion were contagious and it was exciting to hear his enthusiasm about providing specialized medical supervision at camp in order to create a week of normalcy!!! One of my goals as Medical Coordinator for Kay's Kamp is to continually

learn about the issues and needs of our kampers in order to provide the most comprehensive ZOO possible. Thank you for the support and opportunity to attend COCA last fall and I look forward to attending in 2010.
